Clays For Kids *IMPACT*

Sponsorship Levels:

Thanks to the generosity of community-minded friends like you, over the last five years the Clays for Kids fundraiser has afforded the Club the opportunity to accomplish a range of critical upgrades to our facilities to better provide a quality experience for our young members. For that, we are extremely grateful to have your support!

The latest addition to the Club are the new glass backboards on our side courts in the gymnasium. They are equipped with electric raise/lower and height adjustment motors.

The basketball season for 2022 looks to be another banner season. There are 69 teams participating in the 6U, 8U and 10U age groups. 25 of the 69 teams are girl's teams which we are very excited about. Our local high school teams have many players that learned the game of basketball at the JAC.

Help us meet the growing needs of our Club for all of Savannah's youth looking for a chance to play at the JAC!

We want to thank all of the Clays for Kids participants and look forward to a fantastic 2022 event!
